Writing

Hi, Cathy!

Thanks for your message! I was very glad to hear from you again!

In your message you asked me what we were discussing with my friends. We often go out for a walk on the street or in a cafe and talk about different things.

Our conversations relate to pets, food preferences, hobbies and music. Yes, I can discuss this with my parents over lunch or in the evening while watching a movie.

Which musical ^{did} you listen?

Did you like it?

Are you planning to go ^{to the} concert?

I have to go, my friends are waiting for me.

Write to me as soon as possible!

Best wishes!
